The questions raised for consideration in this file are

(1) Filling up certain temporary vacancies caused by the absence in England of Medical officers Messrs. S. Subba Rao, P.R. Subba Rao and B.G. Sambasivan and

(2) Amendment of the existing Bond Form in the case of passed medical stipendiary Scholars on the lines of Rule XVI of the Foreign Scholarship Rules, so as to relieve them from the obligation to serve after 6 -- months

Re. 1. Of the 3 temporary vacancies Mr. S. Subba Rao's is likely to terminate soon i.e. about the end of November 1925. But in connection with the appointment of Mr. A.Vasudev, this and the vacancies of ~~the~~ Mr. P.R. Subba Rao and Mr. B.G. Sambasivan were taken into consideration and he was appointed as a Medica graduate in a long vacancy. The long vacancy available now is that of Mr. B.G. Sambasivan who has been deputed for 2 years to begin with; and against Mr. P.R. Subba Rao's vacancy, the extra appointment of ~~Mr~~.Mr. Parthasarathi is ordered to be counted. Practically the only available vacancy is that of Dr. S.Subba Rao.

Even as regards this it is now seen that this may not be filled up on account of the appointment of a Senior Sub Assistant Surgeon to the --- Lancers' Hospital, Bangalore and the abolition of the place

Serial No

of the Assistant Surgeon for that Hospital, & the reduction of the Asst Surgeons' posts by one, with a corresponding increase in the Senior Sub Assistant Surgeons' grade. So there is no vacancy available to be granted to the passed scholarship holders in these 3 temporary -- vacancies.

Of the passed students waiting for appoin ment, numbering 7, the Senior Surgeon has proposed the appointment of Messrs. M.Ramachandra Rao and A.C. Devara j and the releasing of the rest.

The Member has ordered the appointment of Mr. B.S. Ramachandra Rao as a Medical graduate This cannot be made in the 3 temporary vacancies above noticed. But there is another --- temporary vacancy on account of grant of leave to Mr. S. Narayana Rao, District Medical -- Officer, Tumkur for 4 months. Mr. Ramachandra Rao may be appointed in the vacancy immediately.

This is for orders.

Dr Subba Rao is ref a this vacancy shd be made available for Mr Varadeva ahead of appointee

The other question remaining for consideration is the release of the 5 other candida and the provision, in the scholarship bond for of a rule for release of these passed scholarship holders from their obligation to service, as in Rule XVI of the Foreign Scholarship Rules

The Senior Surgeon states that there is no possibility of providing all the passed men -- with appointments within a reasonable time and they may not be kept indefinitely waiting and may be permitted to earn their livelihood by

Serial No

releasing these 5 men. He says that there is no precedent for this; but that this is provided for in the ForeignScholarship Rules, Rule XVI, under which Foreign Scholars are released from their obligation to serve, if they are not provided with employment within 6 months of their return.

In another file regarding recovery of money from scholarship holders who did not take up service when offered, the Financial Secretary has suggested the provision of such a rule.

The Second Member of Council has minuted that he has no objection to a condition being inserted as proposed in the bond relating to the Medical Scholarship.

These 2 questions may now perhaps be -- submitted to the Dewan for orders.

Ref: 2-24-54

With reference to the correspondence ending with your letter No.L.5556-Med.2-24-31, dated 31st January 1925, informing me that the entertainment of the two Mysore scholars who had passed the M.B.B.S., Examination of the Bombay University, could not be sanctioned for reasons mentioned therein, I have the honour to submit that the objection raised by the audit office in respect of the appointment of Mr.N. A. Iyengar has since been disposed of by the order of Government conveyed in your office letter No.L.6019 Med.2-24-35, dated 14th February 1925, to the address of the Comptroller, a copy of which was also communicated to me in your No.L. 6020 Med. dated 14th/17th idem. The objection in respect of the transfer of Mr. P. Parthasarathi to the Medical Department has also been finally disposed of in your No. L. 7090-1 Med. 3-24-25, dated, 4/6th April 1925. There can thus be no difficulty in entertaining two of the Mysore scholars now available, in the service, as Medical Graduates.

2. Including the two candidates above referred to, there are now five Mysore Scholars who have qualified themselves by passing the degree examinations in Medicine and who have reported themselves to this office for orders. Their names are given in the margin. The first three candidates are Brahmins, the fourth belongs to the Mahratta (tailor) community and the fifth a Mudaliar.

1. Mr. B.Narayna Rao, B.A., M.B.B.S. (Bom)
2. "K.Narasimhiengar Do.
3. C.V.Natarajan B.Sc. M.B.B.S., (Mad) 1st Class.
4. "M.Ramachandra Rao, B.A., M.B.B.S. (Mad
5. "A.C.Devaraj, L.M.S. (Mad). R.A.

3. The present composition of the superior Medical service, including the Medical graduates, is as shown below:-

Brahmins	35.
Kshatriyas	1.
Lingayets	2.
Mudaliars	7.
Naidus	2.
Other Hindus	4.
Indian Christians	7.
Europeans & Anglo Indians ...	3.
Mahomedans ...	3.

It will be seen that against 35 Brahmins there are 29 non-brahmins. I therefore recommend the entertainment of the last two candidates who are non-brahmins, so as to raise the proportion of the latter as near as possible to 50 per cent. to obviate any adverse criticisms. I further request that, as there is no likelihood of vacancies occurring in the near future, the other three scholars may, in fairness to them, be kindly released from their bonds so that they may earn their livelihood outside the department.

Dear Sir,

I have great pleasure in giving this introduction to one of my good students, Mr.Devaraj Mudaliar, B.A,L.M.S, who passed out this as a Mysore Govt.Scholar from Madras.

I have known him as an industrious and intelligent student who took a most prominent part in all our social and athletic activities and was the best sportsman of his batch. I have always felt that a good sportsman makes an efficient officer in all walks of life and for this reason would be very glad if his services are secured for the Dept. He has had a bright career and I have no doubt that he will deserve any kind encourgement you may be pleased to show him now in getting him a preferment.

As a student of this college his conduct was exemplary and I hope you will be able to make use of his services in our state.

Secretary to the Government of Mysore,
Local and Legislative Departments, ...

Sir,

With reference to your letter No. L. 1549/Medl. 2-24-70 dated the 31st August 1925, I have the honor to forward herewith a copy of the form of agreement that has been executed by M.B.,B.S. scholars, according to which the scholar binds himself to refund a certain amount if he fails "if called upon to do so on completion of his course, to serve the Government for a period of not less than five years" It is open to doubt if the "call for service" is intended to be "on completion ofthe course", i.e., within a reasonably short time after the scholar passes and reports himself for orders, or after the lapse of any period without limit.

Equity would seem to require that the scholar ought to have his liberty to win his bread elsewhere by termination of his agreement, in case the Government does not see any hope of providing for the scholar within a reasonable time. As I have already reported in my letter No. G.C. 212-2 dated the 16th May 1925, there are no chances for fresh hands for some years to come. Hence my recommendation in favor of their being rleased from their bonds, which is in conformity with what has been laid down in Rule XVI of the Foreign Scholarship Rules as revised by Government Order No. 11121-94/Edn. 5-19-119 dated the 25th May 1920, a copy of which is also attached for ready reference.

29

As regards precedents of release, I may say that no reference of the kind was ever made to Government by this office and orders passed. I would invite a kind reference to Education File beginning with Chief ~~Sanitar~~ Secretary's letter No. E. 5442/Edn. 264-21-11 dated the 16th March 1923 in which I have, in my letter No. C.1753-11 dated the 4th December 1924 submitted all facts relating to scholars who had passed and had not joined service here. Of the scholars mentioned therein, only the marginally noted three were offered appointment in the last grade in which it was then possible to entertain them. But they did not care to enter service here and joined elsewhere. In other cases the scholars did not report themselves after they obtained their qualifications. Hence the action to be taken in their cases is under the consideration of Government.

In the cases now in question, the scholars have reported themselves for orders and there are no chances for them in the service. Hence their cases are different and the question of their being released from their bonds is for orders.

I have the honor to be,

Sir,

Your most obedient servant,

Sir,

With reference to your letter No.L.2464-Med.2-24-83, dated 6th October 1925, I have the honour to invite a kind reference to my letter No.G.C.212-9 of 5th October 1925, a copy of which is enclosed for ready reference.

I have the honour to be,
Sir,
Your most obedient servant,

Senior Surgeon.

Letter No. G. 212-9, dated 5th October 1925, from the Senior Surgeon with the Government of H.H. the Maharaja of Mysore, to the Secretary to the Government of His Highness the Maharaja of Mysore, Local and Legislative Departments, Bangalore.

With reference to your letter No. L. 1549 Med. 2-24-79, dated 31st August 1925, I have the honour to forward herewith a copy of the form of agreement that has been executed by M.B.B.S., scholars, according to which the scholar binds himself to refund a certain amount if he fails "if called upon to do so on completion of his course, to serve the Government for a period of not less than five years". It is open to doubt if the "call for service" is intended to be "on completion of the course," i.e., within a reasonably short time after the scholar passes and reports himself for the orders, or after the laps of any period without limit.

Equity would seem to require that the scholar ought to have his liberty to win his bread elsewhere by termination of his agreement in case the Government does not see any hope of providing for the scholar within a reasonable time. As I have already reported in my letter No. G. C. 212-2, dated 16th May 1925, there are no chances for fresh hands for some years to come. Hence my recommendation in favour of their being released from their bonds, which is in conformity with what has been laid down in Rule XVI of the foreign scholarship rules as revised by Government Order No. 11121-94, Edn. 5-19-119 dated 25th May 1920, a copy of which is also attached for ready reference.

As regards precedents of release, I may say that no reference of the kind was ever made to Government by this office and orders passed. I would invite a kind reference to Edn. File beginning with Chief Secretary's letter No. E. 5442 Edn.264-21-11, dated, 16th March 1923, in which I have, in letter No. C. 1753-11, dated, 4th December 1924, submitted all facts relating to scholars who had passed and had not joined service here. Of the scholars mentioned therein, only the marginally named three were offered appointment in the last grade in it was then possible to entertain them. But they did not care to enter

enter service here and joined elsewhere. In other cases the scholars did not report themselves after they obtained their qualifications. Hence the action to be taken in their cases is under the consideration of the Government.

In the cases now in question, the scholars have reported themselves for orders and there are no chances for them in the service. Hence their cases are different and the question of their being released from their bonds is for orders.

Sir,

Referring to correspondence ending with my No. G. C. 212-9, dated 5th October 1925, I have the honour to forward in original the enclosed representation, dated 10th September 1925, from Mr. B. S. Ranoji Rao, B.A., and other members of the Bhavasar Kshatria community of Bangalore, requesting, for reasons stated therein, that State Scholar Mr. M. Ramchandra Rao, B.A., M.B.B.S., may be started as an Assistant Surgeon, and to state that the individual referred to has been recommended to Government for being entertained in the Medical Department as a Medical Graduate, in my letter No. 212-2, dated 16th May 1925.

To

The Senior Surgeon in Mysore,

Bangalore.

Honoured Sir,

We the members of the Bhavasar Kshatriya community of Bangalore beg to state as follows:-

Our community which is ordinarily known as the Tailor class is a backward one & as such there are very few amongst us who are educated owing to poverty & want of necessary encouragement. Many of our boys lag behind & lose the chance of acquiring higher education .But when there is encouragement they prove themselves worthy of the help given to them. Such is the case of Mr. M.Ramchender Rao B.A; M.B. B.S., who with the aid of a Govt scholarship has taken a degree in the Madras Medical College in M.B.,B.S. after passing the B.A. examination. He has now applied for being appointed in the Medical department of the Mysore service & your honour, we take it , has been pleased to recommend him for a suitable post.

Mr.Ramchender Rao is the first Medical graduate from our community & for many years is not likely to have a second one . We on behalf of our community pray that the benign Government of Mysore may favour him with an Assistant Surgeon's post in the Medical department. This will not only serve as a great help to one of our castmen in the Mysore State to earn his living, but will be an incentive for the spread of education in our backward community.

We therefore pray that your Honour will be pleased

P.T.O.

pleased to help our community and grant our above request.

In this act of kindness we shall be ever greatful.

We beg to remain

Honoured Sir,

Your most obedient & humble servants
